## ■ *The Company*

From a humble beginning in 2018 Assure strongly established as the numero uno in almost everything in ceramic items, in the indian consumer's mind. Understanding the daily needs of the indian household Assure encompasses a range which includes diversified product catagories from ceramic items (cup saucer, tea set, coffee mug, milk mug, dinner set) to home and kitchen appliances (mixer grinder, Blender, Nonstick, sublimation mug, pressure cooker, roti maker, gas burner, induction, sandwich toaster/ maker, electric kettle, iron, electric fan etc.). Assure, not only satisfy it's consumer about the quality of material but also the well-being of their families. The consumer is spoilt for choices which has in turn made Assure one of the most trusted brands in the country and a companion for life for them.

## ■ *Infrastructure*

Energy and environment friendly kilns, supported with semi automatic machines in main feature of our production line, delivering around 50,000 pieces daily to its customers.

A state of art laboratory with team of dedicated professionals always keep a vigil on quality and cost of our manufacturing. Integrating its facilities backward, company has its own decal printing unit and packaging manufacturing unit, giving an edge over other manufacturers.

## ■ *The Market*

A dedicated network of nearly two hundred distributors and further the wide spread retail outlets all over the assian countries in the demand of Assure products. The suitable policy is practiced to ensure the value for money and to match the market sophistication.
